

Edelbrock Top End Kits

IT'S POWER IN A BOX!

Our "No guesswork" Power Package Guide has been a huge success since the late 1980's. To make it even easier, you can get the right combination of parts for your engine in a single box with one of our Power Package Top End Kits.

These complete kits include an intake manifold, cylinder heads, camshaft, timing chain, gaskets and hardware. They can be topped off with an Edelbrock Performer® Series or Thunder Series AVS® carburetor for 315 to 460 HP from your small-block Chevy and 611 HP from your 502 big-block Chevy. Kits are also available for big-block Ford, Chryslers, Olds and Pontiac.
