Throttle and C4 Kick Down Cable

#8263, 8264, 8267 Date 7/15/13

Please note this photo is generic. It shows you a general idea of how your throttle and/or kick down cable might look when installed. There are different brackets with multiple holes to choose from. Choose the best hole position for your application.

Throttle cable

Kick down cable

This photo shows a stock 73-77 Bronco C4 transmission with the C4 kick down cable installed. Also you can see the neutral safety switch and shift rod that goes up to the column.
